

Kennel-Gear® Mounting Systems

Part Number: 1000 **MSRP:** \$18.95

Description: Surface Mount

**The Surface Mount is designed to attach to solid surfaces by using the proper screws and utilizing the two center holes.

Part Number: 1001 **MSRP:** \$18.95

Description: Surface Mount w/ Extend Lever

**The Surface Mount is designed to attach to solid surfaces by using the proper screws and utilizing the two center holes. The extended lever gives you more leverage when releasing bowl or pails, works great when having to wear gloves.

Part Number: 1002 **MSRP:** \$24.95

Description: Kennel Bar Mount

**The Kennel Bar Mount is our most universal mounting option. The Kennel Bar Mount attaches to kennels, crates, and (or) solid surfaces (attaching to solid surfaces does not require the back plate or thumbscrews). The Kennel Bar Mount easily attaches by holding the Surface Mount on one side and the back plate on the other, then tightening the thumbscrews. Also available in plastic.

Kennel Bar Mount Separate

Kennel Bar Mount Together

Part Number: 1003 **MSRP:** \$39.95

Description: Chain Link Fence Mount

**Designed to give the extra support when attaching to chain link fencing.

Part Number: 1004 **MSRP:** \$24.95

Description: Vertical Post Mount

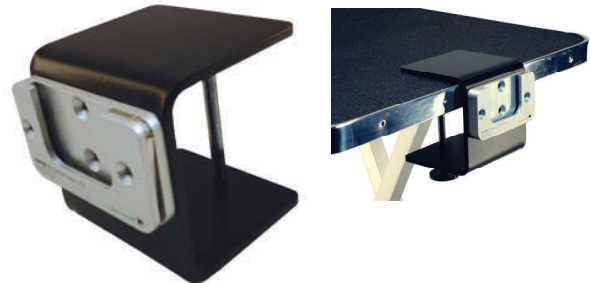

**The Vertical Post Mount fits up to 1 1/4" post. Larger clamps can be used.

Part Number: 1018 **MSRP:** \$39.95

Description: Universal Table Mount

**Fits up to 3 1/2" table widths.

Part Number: 1016 **MSRP:** \$39.95

Description: Suction Cup Mount

**The Kennel-Gear Suction Cup Mount allows you to mount bowls and pails to glass and other smooth surfaces. With our industrial strength suction cups your bowl or pail will stay secure.
